

Sharing is Caring Contest

Y&G NEEDS YOUR HELP! We need to spread the word about California YMCA Youth & Government appearing on the California Tax Return. Why you ask? Simple; every dollar raised allows us to serve more youth. As such, we need to tell as many people about this as possible.

To help us reach this goal, we've starting the Sharing is Caring Contest. There are two ways to win:

1. The first five people have the image linked below shared 50 times on their Facebook page will receive a limited edition Y&G sweatshirt.
2. The person with the most shares by April 15th will receive a VIP dinner for four.

Contest rules can be found by clicking the link below. **WE CAN'T DO THIS WITHOUT YOU!!!**
