

# CALIFORNIA Y&G FILM FESTIVAL

## **Description**

On Saturday night of Training and Elections II, California YMCA will host a Film Festival. The Film Festival will consist of various videos submitted by delegations. The Film Festival will serve as the Social Event for Saturday night.

## **Purpose**

Give California Y&G Delegations a chance to showcase one of their own videos, or a video they find humorous or inspirational.

## **Submission Guidelines**

- Each delegation may submit a maximum of 2 videos.
- Each video should be no shorter than 30 seconds, and may be no longer than 2 minutes.
- Submissions fall into two categories: Videos created by the delegation, and videos that the delegation finds to be humorous and/or inspirational and are created by someone else.
- A delegation may only submit one video from each category described above, but may not submit two videos from the same category.
- Content of all videos must be appropriate. Videos may not portray any activity that is not allowed in the Code of Conduct (alcohol, drugs, promiscuity, etc.).
- All videos must be uploaded to the web via YouTube. Videos should be uploaded in the highest possible quality.
- Once your video is uploaded to YouTube, send the link for your video(s), along with a brief description of why you submitted them and their category to [productionservices@calymca.org](mailto:productionservices@calymca.org).

## **Submission Deadline**

Videos must be submitted no later than 11:59 PM Pacific time, on Tuesday, January 7, 2014. This means that the email must display a "time sent" stamp no later than the submission deadline. ALL VIDEOS MUST BE SUBMITTED BY DELEGATION LEAD ADVISOR.

## **Selection Criteria**

Videos that are deemed inappropriate by the Selection Committee will not be shown. Videos not submitted prior to the deadline will be automatically disqualified. Decisions made by the Selection Committee are final and may not be communicated in advance of the Film Festival. It is highly recommended that Lead Advisor's review videos before they are submitted.

## **Additional Questions**

All questions regarding the guidelines described above may be submitted to [productionservices@calymca.org](mailto:productionservices@calymca.org). However, sending a question seeking additional clarification will not be an excuse for missing the submission deadline. Regardless of when questions are sent, no video submissions will be acknowledged if sent after the submission deadline.
