

California YMCA Youth & Government

"Democracy must be learned by each generation"

TOGETHER WE CAN DO MORE.

WE ARE A 2013 TAX CONTRIBUTION RECIPIENT!

Your contributions last year helped California YMCA Youth & Government provide a life changing experience to over 3,000 students and strengthen the future of California's leadership. With your help, we can do much more. It's simple, **SAVE**, **SUBMIT**, and **SHARE**! Our goal of \$250,000 in tax contributions will significantly improve our ability to provide scholarships to delegates who might not otherwise be able to afford to participate. All teenagers deserve to have their voice heard.
