

California YMCA Youth & Government Model United Nations

Code of Conduct

"The purpose of California YMCA Youth & Government is to develop within our youth a dedication to the values of democracy and an awareness of the need for their participation and leadership in the democratic process. Participants in the Model United Nations program are expected to develop an awareness of the global political situation and respect for the cultural and ethnic differences of all"

BASIC PHILOSOPHY OF RESPONSIBLE CONDUCT

Essential to the California YMCA Youth & Government (Y&G) is the concern of each participant for the rights of every individual. Being responsible for one's own behavior at all times is a necessary part of self-government. It is critical that all participants, advisors, and staff act responsibly to ensure that their own conduct and attitude is beneficial not only to themselves and their fellow participants, but also to ensure the continuation of Y&G's programs.

The Code of Conduct shall be observed by both youth and adults. There will be no double standard. By choosing to participate in the programs of Y&G, each individual agrees that they have read, understand, and will follow the Code of Conduct while attending any part of the program. Each participant is accountable for preserving the reputation and high standard of his/her YMCA delegation and Y&G.

All participants share equally the responsibility for their actions when violations of the Code are witnessed. Those who decide to be present when a violation occurs shall, by their own choice, be considered a participant in the violation. In this program, there are no "innocent bystanders".
