VOLUNTEER TRAINING EXPECTATIONS

To maximize our time together at Volunteer Training, please read and abide by the expectations below:

1. **ATTENDANCE:** Attendees are expected to attend all sessions, arrive promptly, and be engaged.
2. **OPEN MINDS:** Attendees should be open to new ideas.
3. **COLLABORATION:** Attendees will be working with their program area, other volunteers, and with delegation advisors.
4. **SHARING:** Veteran volunteers are asked to share their years of experience with the newer volunteers and advisors. When you're new to the MLC, it can be frightening and confusing. The guidance offered by a Y&G lifer can make a huge difference.
5. **BE RESPONSIBLE:** While Volunteer Training is for people who are 21 years old and older, please remember that from the moment you arrive to the moment you leave, you represent California YMCA Youth & Government. Please behave responsibly. We ask that attendees do not drink alcohol until session is over for the day.
6. **SURVEYS:** After Volunteer Training, please complete the survey that will be e-mailed to you. The Y&G staff uses the results to improve the trainings we ask you to attend.
7. **QUESTIONS:** Ask questions. Stupid questions are better than stupid mistakes.

If you have any questions about the expectations for Volunteer Training, please contact Rolf.

Thank you
