Senate Concurrent Resolution No. 225--Relative to population control.

**ABSTRACT**

SCR No. 225 requests the Franchise Tax Board recommend deductions that can be eliminated for multiple child households.

WHEREAS, It has been determined that California is the most populous state in the nation; and

WHEREAS, The California welfare roll is overtaxed due to the high number of children who are in need of an education; and

WHEREAS, There is a limited number of employment opportunities available in this state due to recessionary times; and

WHEREAS, A growth in population would further inhibit ones' ability to obtain employment; now, therefore be it

Resolved by the Senate of the State of California, the Assembly thereof concurring, That the Members request that the Franchise Tax Board make recommendations to the Legislature regarding which deductions available to the people of California who have more than one child per parent in a household can be eliminated; and be it further

Resolved, That this elimination of certain deductions only apply to households with claimable children who are between the ages of 5 years and 17 years of age at the same time; and be it further

Resolved, That this action shall be effective in the 1995 tax year; and be it further

Resolved, That the Chief Clerk of the Senate transmit copies of this resolution to the California Franchise Tax Board.
