Golf Tournament Format
Shotgun Scramble

We are playing a Scramble. Men will drive from the white tees and ladies from the red tees. The rules are simple. Everyone hits a tee shot. As a group, you choose which drive to use for the next shot. Your entire group then hits from within 12 inches of that location – except for putts, which are hit from the exact location. If you choose a ball in a bunker, everyone hits from the bunker (you may rake after each shot). Continue this method of play until the ball drops into the cup. There is only one score per hole. Each player must have at least two drives used during the 18 holes of play (including par 3's). Plan your strategy in choosing your drives.

The maximum group score per hole is a bogey. If your group has already taken strokes that add up to par +1, pick up your ball and head to the next hole. Record the bogey on your scorecard.

Check the back of your scorecard for all of the club rules. They must all be followed.

If your team only has three players, alternate holes on which a player hits two shots. For example, player one hits two balls on each shot on holes 1, 4, 7, 10, 13, and 16. Player two hits two balls on each shot on holes 2, 5, etc. and player three on holes 3, 6, etc.

First, second and third place prizes will be given to teams with the lowest net score and a prize will be given to the "Most Honest" team.

SuperTicket

**The following contests are part of the SuperTicket that
will be for sale for \$50 when you check in.**

Mulligans: Mulligans (2) are only available as part of a the SuperTicket. Mulligans are not transferable and may not be used for putts. Mulligans may not be used to win a contest.

Putting Contest: The putting contest will consist of three pre-marked holes. You will keep your own score. On the third hole, a volunteer will measure the distance of your first putt from the cup and write it on your scorecard. This number will be used to determine the winner in the event of a tie. First place prize will be awarded during the Awards Banquet at the end of the tournament. The putting green is located to the side of the gazebo behind the club.

Closest to the Pin Contest: Separate contests for both men and women will be held on hole #5 and #15. There will be two plaques on this hole. Make sure you put your name on the correct one. Prizes will be awarded during the Awards Banquet to the man and woman whose initial drive comes closest to the pin.

Longest Drive Contest: Separate contests for both men and women will be held on hole #8. There will be two plaques on this hole as well. Prizes will be awarded during the Awards Banquet to the man and woman whose initial drive is the longest.

\$100,000 Shoot Out Contest: Prior to the shotgun start 4 SuperTickets will be drawn for the \$100,000 Shoot Out. At the conclusion of play the 4 golfers must meet at the 18th green. The shoot out distance is 165 yards and must be a hole in one.
