## Policy on Registration Fees

Once a name is officially submitted on the Registration Form, the registration fee is due and payable on that name. Once officially submitted, delegations are responsible for the full fee for each person registration. If a participant drops prior to a Training Conference, another participant may be substituted in their place at no additional cost. Participant drops WILL NOT be eligible for refunds. Fees are due to be paid in full (not check requests) no later than check-in for each respective conference. If the balance of fees is not collected within 30 days of the event, California YMCA reserves the right to apply a 12% late fee as per the delegation participation agreement. Delegations with outstanding balances from previous California YMCA events may not participate further until their balances are resolved with California YMCA.
