

2013-2014 Elected Officer Changes/Updates

Board of Education

As a change from previous years, the State Superintendent of Public Instruction is no longer elected at T&E I. The Board of Education staff will interview and select 4 candidates from the pool of applicants. These four will run for State Superintendent of Public Instruction at T&E II during the first Board of Education meeting. The winner will be the Superintendent and the other three will be the Deputy Superintendents of Public Instruction. Board of Education Staff will be working to prepare all 4 candidates between T&E I and T&E II, to prepare them for their positions.

Applications are limited to one per delegation and count towards delegation's limit of 5 officer candidates per program year.

Department of Finance

The Department of Finance Director and Deputy Directors are appointed leadership. Candidates will be sent instructions on an easy to submit prior to T&E I and will be interviewed at T&E I.

Candidates for both positions need to have previously been Budget Committee Chairs. These positions do NOT count against delegation's limit of 5 officer candidates per program year.

International Affairs Commission

The IAC Chair will be selected via application at T&E II. Staff will narrow applicants down to two people. They will run against each other at T&E II during an IAC session.

Applications are limited to one per delegation and do NOT count towards a delegations limit of 5 officer candidates per program year.
