# AB 233 UPDATE

## The Political Process at Work

At the direction of the Senate Governance & Finance Committee, AB 233 is now back on July 3<sup>rd</sup>'s docket.

## What This Means For You

You now have an extra week to let the [Senators listed here](#) know how much Y&G has changed your life and how great it would be if more people were able to participate in Y&G. Please, please, PLEASE take a few minutes to call them and/or write them to let them know. To make things easier for you, we even have a [sample letter right here](#)! We face an uphill battle with this committee, so the more support we get, the better!

If you had contacted Morgan about speaking for the bill, she will be contacting you with the updated information.

## In Review

- On July 3<sup>rd</sup>, AB 233 will be brought in front of the Senate Governance & Finance Committee by our good friend Assembly member Isadore Hall.
- AB 233 would add California YMCA Youth & Government to the list of check box items tax payers can designate contributions to.
- If placed on this list, California YMCA Youth & Government stands to add over \$250,000 to our scholarship fund annually.
- Please call and/or write the committee's members and let them know they should support AB 233!
