CODE OF CONDUCT

"We Build values-based Leadership and Civic Engagement in California's youth to strengthen our democracy."

BASIC PHILOSOPHY OF RESPONSIBLE CONDUCT

Essential to the Model Legislature/Court program is the concern of each participant for the rights of every individual. Being responsible for one's own behavior at all times is a necessary part of self-government. It is critical that all delegates, advisors, and staff act responsibly to ensure that their own conduct and attitude is beneficial not only to themselves and their fellow delegates, but also to ensure the continuation of the California YMCA Model Legislature/Court.

The Code of Conduct shall be observed by both youth and adults. There will be no double standard. By choosing to participate in the programs of California YMCA Youth & Government, each individual agrees that they have read, understand, and will follow the Code of Conduct while attending any part of the program.

Each participant is accountable for preserving the reputation and high standard of his/her YMCA delegation and the California YMCA Model Legislature/Court Program.

All participants share equally the responsibility for their actions when violations of the Code are witnessed. Those who decide to be present when a violation occurs shall, by their own choice, be considered a participant in the violation. In this program, there are no "innocent bystanders".

GENERAL RULES

Infractions of General Rules A - G shall result in expulsion from YMCA Youth & Government functions and conferences. In addition, local law enforcement agencies may be contacted and the delegate/advisor/staff member turned over to them as appropriate:

- A. All public and private facilities placed at the disposal of California YMCA Youth & Government to conduct its programs are to be given the greatest care and attention by everyone. It is a PRIVILEGE to use them; treat them with respect. Any act of vandalism, destruction of property, or misuse of a facility may be a crime and will be treated as such.
- B. Possession and/or consumption of alcoholic beverages and illegal drugs is strictly prohibited.
- C. Weapons of any kind and items that could cause injury or damage to participants and/or property are strictly forbidden.
- D. Any violation of State or Federal laws will be treated as such and the proper authorities notified.
- E. Activities which endanger the health and safety of the individual or others are prohibited.
- F. Inappropriate and uninvited physical contact between any Youth & Government participants, staff member, or guests is not allowed. Intimate sexual behavior is inappropriate and not allowed.
- G. Possession and/or the use of any tobacco products is not permitted

CODE OF CONDUCT

Infractions of General Rules H- O **may** result in expulsion from YMCA Youth & Government functions and conferences:

- H. Laws of the state, county, and city governments are to be observed.
- I. Badges shall only be worn by the individual whose name is on that badge. BADGE SWITCHING OR SHARING IS STRICTLY PROHIBITED. Participants will wear their assigned badges at all times when they are not in their sleeping rooms, and badges are to be worn above the waist and must be visible. Badges are not to be defaced, decorated, or altered in any way. Only advisors can request replacement badges. There may be a charge for replacement badges.
- J. Specific rules as set by the individual facilities (i.e., YMCA, State Capitol, Hotels, California National Guard facilities, etc.) are to be observed.
- K. Participants must be present and punctual at all meetings where their involvement is required.
- L. Participants shall observe all curfews and be in their assigned sleeping rooms at the established curfew times.
- M. No delegate shall be in the barracks of the opposite sex at the Training & Elections Conferences. In Sacramento, no delegate shall be present in the hotel room with a member of the opposite sex at any time, unless an advisor is present in the room, or there are five or more delegates present in the room, two of which are the same sex (3-2 rule).
- N. The Model Legislature/Court program does not permit delegates to drive vehicles to or from any of its related conferences. Any delegation seeking an exception must clear it in advance with their local YMCA Executive Director or, in school based delegations, School Principal, and must provide proof in writing to the Model Legislature/Court office prior to the related conference. DELEGATES MAY NOT DRIVE ANY VEHICLE DURING THE TIME THEY ARE AT A CONFERENCE. Advisors seeking to drive during a conference shall obtain clearance through the Model Legislature/Court office. IN ALL CASES, LIABILITY IS ASSUMED BY THE SPONSORING LOCAL YMCA OR SCHOOL.
- O. All electronic devices (except those used by the Youth & Government staff) must be turned off during all sessions, meetings, and hearings in all program areas. Advisors/staff may leave devices on, but inaudible, for emergency contact reasons. They must leave the session/area in order to answer a call.
- P. Falsification of records threatens the integrity of the program and will be considered a serious breach of contract. The result will include a range of penalties up to and including probation or dismissal from the program.

CODE OF CONDUCT

DRESS RULES FOR OFFICIALLY SCHEDULED SESSIONS

- A. Sacramento Model Legislature & Model Court - All participants are to maintain a professional and business-like appearance by dressing in business and professional attire during the Model Legislature/Court business day (8 a.m. - 10:00 p.m.) and other such hours as designated by the program schedule. The Director and his/her designee has the authority to determine both the appropriateness of appearance and attire of participants.
- B. Other Conferences & Meetings - Participants must wear clean, tidy school attire. No open toes shoes are allowed outside of an individual's own barracks at Camp Roberts.
- C. Refer to Dress Code Supplement for specific requirements for both the Model Legislature/Court and other conferences and meetings.

DISCIPLINARY ACTIONS

- A. The Code of Conduct is binding on all delegates, advisors, and staff. Each participant will be accountable for his/her actions. In addition, each YMCA and its advisors shall be held accountable for the conduct of their delegation.
- B. THE DIRECTOR HAS THE AUTHORITY TO INTERPRET THE CODE OF CONDUCT AND ADMINISTER ANY DISCIPLINARY ACTION DEEMED NECESSARY.
- C. The Director has the authority to delegate his/her disciplinary powers to any staff person deemed appropriate.
- D. ALL EXPENSES AND ARRANGEMENTS RELATED TO ANY DISCIPLINARY ACTION

LOCAL YMCA RULES

- A. Each local YMCA may outline additional (more stringent) rules of conduct in conformance with this Code of Conduct for its delegation. These additional rules and the California YMCA Model Legislature/Court Code of Conduct are binding. Violation of either could subject the offender to termination from the program. Delegation advisors shall be responsible for enforcing such additional rules of their local YMCA.

DRESS CODE SUPPLEMENT

The California YMCA Youth & Government Program Committee has established this dress code and holds it binding on all delegates, advisors, and staff during all conferences. All of these rules have been placed in effect for the protection, safety, benefit, and reputation of you and the program. Any exceptions to the Dress Code due to safety or cultural concerns must be approved in advance by the CEO, California Youth & Government or his/her designee.

SACRAMENTO ML/C BUSINESS DRESS CODE

All participants must be dressed in business attire from 8:00 a.m. to 10:00 p.m., unless in their assigned sleeping room. After 10:00 p.m., casual clothes may be worn (see general dress code above).

State Capitol Business Attire

State Capitol Business attire is the Y&G term for the appropriate dress and grooming for conducting business in the State Capitol and other facilities. It is rooted in traditional conservative business attire and is not what would be worn to school or a nightclub. It should reflect a level of professionalism that conveys a feeling of competence and appropriateness for the task at hand.

Men Must Wear

- Conservative colors or muted patterns
- Collared shirt and tie – shirt must be tucked-in
- Suit slacks or 'Dockers' type slacks
- Sports coat, suit coat, sweater or sweater vest
- Dress shoes and socks

Banquet: Tuxedo or any of the above. A collarless formal shirt may be worn with the appropriate outfit.

Women Must Wear

- Conservative colors or muted patterns
- Blouse or sweater – must be hip length with a straight hem or tucked in (can sub w/dress)
- You must wear a suit jacket or sweater over a sleeveless top
- The outside layer must be the longest layer
- Dress slacks/capris or skirt/dress that is knee length or longer (slit no more than 3" above knee)
- You must wear a matching suit jacket with capri slacks
- Skin colored or black nylons or tights on exposed legs and feet
- Business dress shoes
- Banquet: Evening/cocktail dress and appropriate shoes or any of the above. Nylons are not required.

General Appearance For Everyone

Exhibit good personal hygiene and overall cleanliness in dress.

Conservative hair style – no unnatural hair color or highlights, no extreme hairstyles (mohawk, etc.). If needed, use a conservative purse or bag to carry paperwork or other necessities.

No facial piercings other than conservative earrings are allowed to be visible during the Program Day. This includes Gauges, O rings, and tunnels. Existing facial piercings must either be filled with a small clear spacer or covered with a modest skin tone bandage. Participants with stretched ears must wear a solid, neutral colored cylindrical plug. Tongue rings must be removed or replaced with a clear or neutral colored stud.

DRESS CODE SUPPLEMENT (cont.)

Cold/Rainy Weather – Raincoats, overcoats, casual jackets, rain boots and hats may be worn outside only and must be removed immediately when entering a building.

Participants May Not Wear

- Casual cloths: t-shirts, halter-tops, see through tops, sweats, leggings, jeans, shorts, etc.
- Casual shoes: sneakers, skate shoes, UGG type boots, flip flops, sandals, etc.
- Elaborately designed or colored clothing; ski sweaters, neon polka-dots, flannel shirts, etc.
- Obscure clothing: jackets made out of the flag, etc.
- Tight or baggy clothing – cloths should fit comfortably without need for adjusting
- Anything that exposes or highlights the private parts of the anatomy
- Anything that exposes the midriff or a large part of the back (i.e. backless evening gown)
- Uncomfortable shoes that will cause blisters when walking - we recommend heels under 2"

A Question Of Style...

It is easy to get caught up in the latest fashion trends. This is not what conservative business attire is about. It is about dressing appropriately. Think about what you would wear to an interview for an internship at a law office. If that is how you dress in Sacramento, you should have no problems.

The following are some fashion trends that are tempting to wear but are **NOT** business attire:

- 'Dickies' pants or a 'Dickies' jacket instead of a suit or sports coat
- Turtleneck instead of collared shirt and tie
- 'Skinny' pants or form fitting skirts/dresses
- Dress shirt dresses or sweater style dresses
- Dress shorts or a shorts suit outfit
- Flashy or casual ballet style shoes or ballet style shoes that do not have a shoe type sole
- Boots with a skirt/dress where any part of the leg is exposed (even if it is covered with tights)
- Patterned or fishnet nylons or tights
- Tights that cut off at the ankle or leggings

CANDIDATES FOR 66th YOUTH GOVERNOR

Elena Dreisbach

WE are the future leaders, Youth and Government. WE will shape the United States, we will contribute to the madness that is politics; but what is stopping us from doing all of that now? I want us to lead. I want us to shape our nation, and I want all of us to be the inspiration that fuels the madness. With me as your Youth Governor, I will work to create more opportunities for delegates to participate in local government. I want for all of us to learn from actual politicians, because who knows more about real-life politics than them? I will work to increase in the number of delegations so that more youth can participate in this amazing program, and I will work to allow more scholarships to be available. The state of California needs programs like Youth and Government to educate its youth, and amazing programs such as this one should not be limited to some because others are unable to pay for it. I will work on statewide fundraisers so that individual delegations will not be taxed, and I hope that all of you will join me in this endeavor. With your vote, we can inspire the masses; Youth and Government, vote Elena Dreisbach to be your 66th Youth Governor!

Hey there! If you are reading this, I would like to thank you for educating yourself in regards to this election! This program offers incomparable opportunities, yet there is more that can be done. Together, we can revolutionize this program to create more opportunities for development, growth and most importantly change within Youth and Government! My platform is based around the idea that we can enhance this program to a higher standard, and improve certain aspects of the ML/C. My motivation and my goal is to serve you. In the words of our 64th Youth Governor Matt Tick, "I want to help YOU be the best YOU can be." I want to ensure that this amazing program does not lose sight of that motive, and strives to be the best it can be!

Ben LaZebnik

Our generation will soon be responsible for solving the challenges that we face as a state, as a country, and as a global community. I feel confident that we have the potential to solve these challenges and build a better California. I've seen us do exactly that right here in Y&G. Since I joined MUN and Y&G, I have seen thousands of young people work together to voice their opinions on the issues and find real solutions to fix them. This sense of enthusiasm, optimism and hope has driven me to run for Youth Governor. As your Youth Governor, I would work to make this great program even better than it already is. I have ideas for making the Future Leaders Campaign more accessible to delegates who want to raise money for Y&G, connecting our program with other Y&G programs from across the United States, and closing the gap between the youth and the government. With your support, your voice, and your vote, we can begin the process of creating positive change together. Vote Ben LaZebnik for 66th Youth Governor.

Sam Leichenger

I have heard it said that Youth and Government is not just a program; it's a lifestyle. To those of us who immerse ourselves in the program, have run for office, have spoken on a bill, or have simply voted for one—we know that Y&G isn't just a program. How? Because we can take it with us. I, like every delegate to come through the program, have been able to apply the skills I learned in Y&G to the outside world. It is a vehicle for making our world a better place. That is why I have decided to make my campaign about how we, the youth, can affect the world around us. I am tired of hearing people say that we are the future, the leaders of tomorrow. We are the leaders of today! I see so many of my fellow delegates already in terrific internships and working on campaigns or even starting businesses. As your Youth Governor I will work to give our amazing program the recognition and influence around the state that it deserves. Only through this can California Youth and Government reach new parts of the state, gain more donors, and see our own bills, crafted by California delegates, debated on the floors of the Capitol by actual Assembly Members and Senators. The state of New York has more than 80 laws that originated in its Y&G program; I know we can do even better. I will challenge this program to be the best it can be, but I cannot do it alone. Vote Sam Leichenger for 66th Youth Governor.

CANDIDATES FOR 65th YOUTH GOVERNOR

Connor O'Connell

Youth and Government is not tangible, rather it is an idea. A collection of individuals unequivocally devoted to the progression of that idea. The idea that a vibrant passion and unwavering dedication to freedom, a reverence of democracy, and the pursuit to forever improve humanity's circumstances is not confined to those 18 years or older. The idea that political service to our fellow man is not dictated through the measurement of one's years upon this Earth but rather the measurement of one's faith in our democratic process. I am fortunate enough to be one of the individuals advocating this idea. I am fortunate enough to stand by individuals who also foster principles, who fiercely argue yet refrain to listen, who are not simply devoted to an idea but to one another. Our perspectives are diverse, are positions and our philosophies define our existence. We have emotionally invested in a sacred ideal, an ideal that possesses the insight of thousands and requires a leader of humility and vision, I am that leader. I have witnessed your passion and I have heard your voice. I am prepared to carry the mantle of this idea. I am loyal to your values and will object to the notion that our age can not possibly influence the progression of ideas. Let me lead you as your 66th Youth Governor.

CANDIDATES FOR 66th SECRETARY OF STATE

Ally Dove

Since joining Youth and Government I have been surrounded by role models of all types, from those in leadership positions to my own advisors and fellow delegates. But talk to any of them and most will say that in order to become successful they were faced with intimidating and difficult situations. Everyone at Y&G has a comfort zone and it would be a lie to say it's easy to step out of it; but constantly delegates push themselves and from it gain success. At conferences I am surrounded by the most intelligent teenagers, and am always blown away by candidate speeches. But, I am also amazed by the other delegates I sit next to in session, who don't go up to speak. I hope to encourage those delegates who don't usually speak to raise their hand for the first time or run for a leadership position. I would run elections and represent this program with class, confidence and above all, a goal to make Y&G a rewarding experience for all delegates. I know its cliché to say, but I really do love this program and what it has to offer. I would love to be able to give back to a program that has done so much for me by being California's next Secretary of State.

Rachel Newhall

Kurt Cobain once said, "The duty of youth is to challenge corruption." We take on this challenge, Youth and Government. We defy criticisms that allude to an "uneducated, unconcerned" youth. Within the chambers of the Senate, Assembly, National Issues Commission, Judicial Courts, and all other areas of this remarkable program, delegates form beliefs and articulate their stance to find the best solutions to our country's troubles. We see injustice, prejudice, and corruption throughout the United States and we respond with passionate speeches and resounding new proposals, bills, and initiatives that reflect how we will lead this country. As your 66th Secretary of State, I will support you in this challenge. I will create an interactive website that describes the details of each delegation and their candidates to ease the campaigning process and inform the voters. I will generate a forum in which delegates are able to provide input as to the topic of the questions asked to candidates to increase interest during Joint Session. I will put politicians throughout California in contact with local delegation presidents to instigate internships and opportunities to enact our ideas, thus bringing our youth closer to our government. As we travel down what will be a historic Route 66 next year, I encourage you to continue to challenge corruption and to vote Rachel Newhall for 66th Secretary of State.
