Model Legislature & Court
Elected and Appointed Leadership Nominations and Applications

Applications vs. Nominations
The Model Legislature & Court has two types of leadership positions: Elected and Appointed. Candidates for elected positions submit nomination forms to run for office. Applicants for appointed positions submit application forms to apply for office.

T&E I Leadership and T&E II Leadership
T&E I Leadership is defined as the delegates who are elected/appointed during the T&E I conference. T&E II Leadership is defined as the delegates who are elected/appointed during the T&E II conference. For a full listing of who is elected/selected when, check out the ML/C Elected & Appointed Leadership link in the resources portion of our website.

How the Process Works
Below are the steps delegate applications/nominations for office go through prior to conferences:
1. Candidates for elected office and applicants for appointed positions complete their nomination/application for office by the deadline (October 12th for T&E I Leadership and December 7th for T&E II Leadership).
2. Applications/Nominations are both due on Fridays, so the following Monday, the California YMCA will send delegation Lead Advisors a list of all of their delegates who submitted forms. Advisors then have one week to approve delegate's nominations/applications. ANY FORM NOT APPROVED BY THE END OF THE WEEK WILL BE DISQUALIFIED.
3. Applications for appointed positions that have been approved by advisors will then be sent to their respective program area and staff will contact applicants/advisors of anything they need to know going into the conference (things like interview times, if they need to bring writing samples, etc). Nominations will be sent to staff member taking care of officer candidates. That staff member will send delegates/advisors any additional information that is needed.

Calendar of Events
- October 12th: T&E I Leadership applications/nominations due.
- October 15th: Applications/Nominations will be sent to Lead Advisors for approval.
- October 19th: Deadline for Lead Advisor approval of applications/nominations.
